About

I love to accessorize and for me the outerwear is what really pulls an outfit together. It's like the cover of a book. Your coat, hat, gloves, scarf are a snapshot of the outfit that lies underneath. So, for a recent girl's night out, I wanted something that said casual, but fun and interesting. So I designed this Satin Basket Weave Ear Warmer. It's a really simple quick knit but the pattern adds that interest and detail that makes it seem way more complex than it really is.
